

Managed Care Organization (MCO) Options Scorecard Frequently Asked Questions

What is the purpose of the Options Scorecard?

The purpose of the Options Scorecard is to help you choose a managed care organization (MCO) based on the factors that are most important to you. The Options Scorecard gives you information about how current members feel about their MCO and how well MCOs meet state standards. The Options Scorecard also provides contact information and other facts about the MCOs that are available for you to choose from.

Where does the information in the Options Scorecard come from?

Information in the scorecard comes from a variety of sources:

- **Member Survey** section shows results from the state's 2018 member satisfaction survey
- **Quality and Compliance** section shows results from the state's annual MCO quality compliance review
- **Care Team Characteristics** section and Additional Information section show information reported by the MCOs about their organization

What is the member satisfaction survey?

The member satisfaction survey is an annual set of questions mailed to current members of each MCO to gather feedback on their experience with their MCO. The state collects and analyzes survey responses to find out how happy members are with their care team, how engaged they are in creating their care plan, and how well their MCO helps to meet their needs.

What is the MCO quality compliance review?

The MCO quality compliance review is an assessment that captures how well MCOs meet certain performance standards set by the state. It is conducted every year by an external quality review organization that works with the state. The external quality review organization looks to make sure that the MCO has policies, procedures, and processes in place to deliver high-quality services to members.

When was the Options Scorecard last updated? How frequently is it updated?

The scorecard was last updated in 2019. It is updated annually.

Why doesn't the Options Scorecard provide other information about MCOs I am interested in?

The Options Scorecard presents only information that has been validated by the state. The ratings provided in the Options Scorecard are based on only the most current verifiable data, providing you with the most objective factors to help you make your MCO selection.
